Dear Mr. Sirri,

The Yacht Club Scharbeutz / Ostsee e.V. would like to apply as a host for the A-Cat world championship 2011.

For many years now, we have not only hosted national, but also a considerable amount of international regattas. We therefore believe that the experience we have gained throughout these events and our strong focus on sailing races in general guarantee the success of such a major venue. Our team has the capacities and capabilities not only to fulfil all organisational requirements, but also to take care of all participants adequately.

We also enjoy the full support of the community of Scharbeutz, which is going to take care of all communal needs. We hope our application will convince you in choosing Scharbeutz as the venue for the A-Cat-World Championship 2011. If this should be the case, we would like to recommend the end of August to hold all races.

Of course we would also be happy to accept any other time schedule that you may suggest.

Kind regards,
Klaus Hanke
