

Classic Rule 2

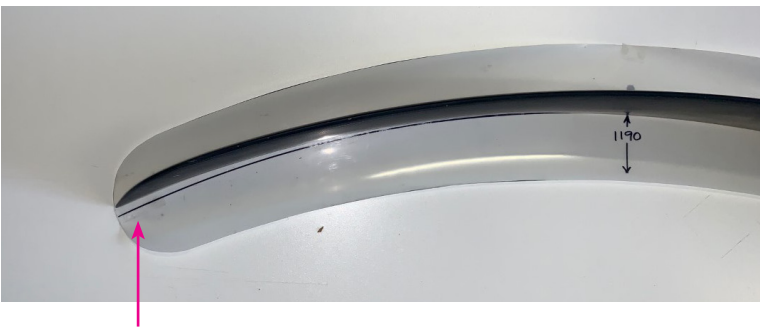

1190mm radius line drawn on solid surface.

Lay trailing edge of dagger board on drawn line, start with middle of board and middle of template lining up.

If trailing edge meets line on all points or drawn line is visible on inside edge of both ends on dagger board minimum radius of 1190mm is met.

If drawn line is visible on outside edge of dagger board minimum radius of 1190mm is **NOT** met and board is illegal.
